Work Experience: Currently, I work as creative consulting as well as par time Art Director for a company called *Opal Marketing Strategy Inc.*

Graphics Specialist / Web interface designer (March 2009 - Present)
Company: TradingBell, Inc.
Location: Vienna VA

Focusing on developing high end sophisticated e-commerce website interfaces, flash multimedia as well as complete branding collateral kit development for clients. I am also responsible for creating marketing banners and booth designs for tradeshow and conferences.

Graphics Specialist / Web interface designer (December 2008 – March 2009: Three month onsite contract job)
Company: Alarm.com, Inc. (*subsidiary of MicroStrategy® Incorporated*)
Location: Tyson's Corner VA

I have developed a complete website along with full collateral design solution for their new product.

Graphics Specialist / Web Developer (February 2007– November 2008: *focusing on Branding and website development for their fastest growing company in the market*)
Company: LogiXML, Inc.
Location: McLean VA

Efficiently manage and coordinate design production from concept through completion. Work closely with marketing and web services team to portray the company into professional level. Update/develop website, create product logos as well as produce online flash video. I have produced the entire company's collateral and printed marketing materials.

Graphics Specialist / Web Developer (March 2006 – February 2007: *still works as par time consultant*)
Company: Affinity Network Solutions, Inc.
Location: Silver Spring MD

Create highly complex or technical designs and illustrations for promotional, educational, technical and informational materials. Effectively create, build and direct the company's web graphics as well as collateral advertisement packages including the new company logo solution.

Graduate Assistant: graphic design (Jan 2004 – Dec. 2005)
Company: Clemson University/ Graphic Communications Department.
Location: Clemson SC

Provided technical assistance and instruction to students using Mac. Photoshop, Illustrator, QuarkXpress and basic design principles. Teaching and mentor undergraduate students how to be problem solving designers.

Directed and edited a 25 minute educational DVD production to promote and distribute the mission and educational value of Clemson University's Graphic Communications department.

Graphic Designer (May 2003 – Jan 2004)
Company: Applied Concept Inc.
Location: Pittsburgh PA

Created new design themes for marketing and collateral materials for International Boxing Event (ESPN). Collaborated with creative team to design and produce computer-generated artwork for marketing and promotional materials.

Internship (2002-2003): Designed Interactive CD ROMs, along with print advertisements, in titled "keepers of the Faith; Eastern Christianity," and "Glory of the King" for the Ethiopian Crown Council in Washington DC.

Related skills: Strong experience in painting, drawing and Photography. Displayed my art works in various art exhibitions, hotels, art festivals and cultural centers including *three rivers art festival* in Pittsburgh PA and Washington DC convention center.

Photography is an art of capturing a moment using camera. Taking picture has been my passion since I was childhood. I see photography like a powerful language (see my official stock photography portfolio at http://www.dreamstime.com/Endriashz_info)
